

We're Pharmacists.  
We're Bankers.  
We're Live Oak Bank.

**LIVE OAK BANK HELPS YOU EXPAND, REFINANCE, REMODEL OR BUY AN EXISTING PHARMACY PRACTICE WHEN YOU'RE READY.**

We lend more than merely capital. Live Oak Bank can help you branch out when you're ready to make a change regarding your pharmacy practice. When you need a bank that shares your entrepreneurial spirit, understands the independent pharmacy business and is equipped with a registered pharmacist on staff, we'll be here. Together, with the NCPA, we strive to keep independent pharmacies independent.
