

Expanding Our Commitment to Patient Safety

NOW AVAILABLE!

LIQUID UNIT DOSE CUPS *From American Health Packaging*

You know AHP from our industry-leading barcoded line of unit dose oral solid products. Our line stands at nearly 550 items across all major therapeutic groups.

Customers have also asked us to deliver barcoded liquid UD that offers the same safety and efficiency benefits.

AHP is pleased to announce our NEW line of Liquid Unit Dose Cups!

We've had many customer conversations and conducted thorough research in order to introduce products to best meet the dispensing needs of hospitals and LTC facilities nationwide.

- Pull-tab label for ease of opening and administering product
- Thicker gauge cup with excellent label seal integrity to avoid costly damage and clean up
- Color-coded labels utilizing "tall man" lettering provide visual guidance to distinguish between sound-alike, look-alike drugs where applicable
- LUD cup and storage trays designed for limited pharmacy storage space
- Growing formulary of products

A Story In Every Dose

With every AHP unit dose dispensed, there is a patient depending on us to "get it right." You could say there is a "story in every dose." This is our daily mission at AHP.
