

R.J. HEDGES
& ASSOCIATES "YOUR COMPLIANCE EXPERTS FOR
TODAY AND TOMORROW"™

Pharmacy Compounding Policy and Procedure Program

**Are you prepared for the upcoming FDA Compounding Regulations?
Do you have a Compounding Policy and Procedure Manual?
Do you have your compounding lab set up correctly?**

R.J. Hedges & Associates' Pharmacy Compounding Program provides your pharmacy with up to date policies and procedures for non-sterile compounding that follows the standards of the USP <795>, USP <797>, Pharmacy Accreditation Compounding Board (PCAB™) and the Food and Drug Administration.

R.J. Hedges & Associates Pharmacy Compounding Policy and Procedure Program includes:

- **Easy to read and follow Policies and Procedures**
- **Regulatory Compliance**
- **Personnel Management for hiring and specific position responsibilities**
- **Facility and Equipment Management**
- **OSHA rules and regulations for chemical and compounding preparation**
 - **Bloodborne Pathogen Plan**
 - **Hazard Communication Plan**
- **Compounding Recordkeeping**
- **Beyond-Use Dating Procedures**
- **Product Safety, Labeling and Shipping**
- **Patient Education**
- **Total Quality Management (TQM)**
