Oral Suspending Vehicle

## When Every Dose Matters

SyrSpend<sup>®</sup> SF is an oral suspending vehicle providing convenient, efficient and reliable liquid dosage forms. Its patented Active Suspending Technology holds APIs in suspension longer for more accurate and consistent dosing<sup>1</sup>. SyrSpend<sup>®</sup> SF is formulated with meticulous attention to detail and prevents irreversible sediment cakes, even when left untouched for up to a month<sup>1</sup>. No alcohol, parabens, sugars, gluten or dyes are used.

### SyrSpend<sup>®</sup> SF offers

- Repeatable, easy to prepare dosing accuracy
- Low osmolality minimizing gastrointestinal upset and diarrhea
- 100% content uniformity to USP and BP standards<sup>1</sup>
- Documented peer-reviewed stability studies for 84 formulations<sup>1</sup>
- Pleasant mouth feel and taste masking
