

#1 Digital Signage
Used in Pharmacies and Clinics

Scan Rx, DisplayRx

- HIPAA Compliant Customer Notifications
- Promote Products and Services with Unlimited Ad Space That You Control
- Decrease Customer Wait Times
- Impress and Inform Customers in Your Waiting Areas
- Reduce Lines and Interruptions at Service Counters

“DisplayRx™ has completely changed the atmosphere of our lobby. Gone are the days of calling out names. We had tried other methods such as pagers or a number system but nothing can compare to what DisplayRx™ has done for us. It’s simple, elegant and effective.”

Ocie Wilson | Pharm D
