

“We were at a crossroads: we had to add staff or automation. Pack4U was the perfect way to grow.”

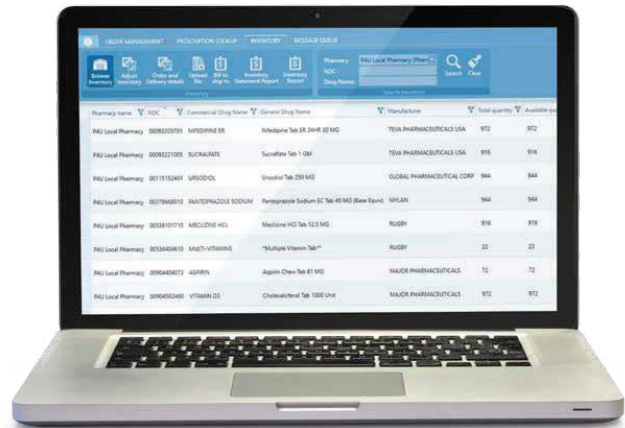

– Cindy Cruz
ProxyCare

Pharmacy as a Service:

We are a community based central fill pharmacy providing compliance packaging service to our client pharmacies.

- **Integrated Cloud Based Architecture:**
Our software seamlessly integrates your pharmacy with ours.
- **Control and Visibility of Order Processing and Inventory Management:**
Our dashboard provides real-time order status and inventory visibility to ensure cost efficient inventory turns.
- **Maintain your wholesaler relationship:**
Retain your pricing and rebates.
- **We manage the process:**
We receive your inventory, package, visually inspect and ship back to you. You provide compliance packages to your patients.
- **Cost Effective and Efficient: No capital outlay.**
Provide compliance packaging to your patients in as little as 30 days.

Inventory control, tracking and visibility at your fingertips.
