

# Your Complete Pharmacy Solution

## START OR STREAMLINE YOUR ADHERENCE PROGRAM

TCGRx offers a variety of patient adherence packaging options for oral solid prescriptions, supplements and OTC medications including pouch or blister formats. Pharmacies can package in various intervals- 7-day, 14-day, 28-day, 30-, or 31-day increments.

## SCALABILITY OPTIONS ALLOW FOR EXPANSION

Automation technology advances every day. Old equipment can lead to downtime, slower processes and more labor, impacting your profits.

Your pharmacy can be effective, efficient and error-free with TCGRx solutions that fit any size facility and budget. Contact us today to learn more!
