

#1 340B  
Management  
Systems

We're turning  
340B teams  
into A-teams.

As the industry's most trusted third-party administrator for the 340B drug discount program, we can help optimize drug cost savings and meet HRSA compliance requirements for hospitals, clinics and pharmacies.

FOR 340B HOSPITALS AND HEALTH CENTERS

Split Billing | Contract Pharmacy | VHUB™ for Contract Pharmacies | Compliance Manager | Purchase Analytics

## YOUR TRUE PARTNER FOR 340B PROGRAM MANAGEMENT

**We're changing the game in third-party administration for 340B**, with unmatched product innovation, ease of use, data transparency and support to help your team maintain compliance. We're the only 340B solution to score an "A" in the 2019 KLAS Performance Report for 340B Management Systems and earn the title of Category Leader for two years running.

If you're looking to collaborate with a vendor that can help you build a winning 340B program and contribute to your organization's bottom line, contact us to speak with a 340B program advisor and learn how to get started.
