

Celebrating our **20th** Anniversary!

We started as a small business 20 years ago with one desire – to help pharmacies become the most profitable and customer-centric in the industry. As a matter of fact, that became our mission statement.

Now, 20 years later, with over 1,000 customers, and the highest level of pharmacy POS expertise nationwide, we look forward to the next 20 years and beyond!

Thank you to all of you for making this happen!
