

# Looking for the best blister card solution?

## SINGLE-MED SOLUTIONS

We offer three robotic solutions that cover traditional cards: L60 for thirty-day cards, C60 for control half-size cards, U60 for unit-dose cards. Our single-med products have become the most widely accepted solutions in the Long-Term Care pharmacy industry.

## MULTI-MED SOLUTIONS

We offer two options: BP198, BP290. These are the first cost effective multi-med solutions that fill and seal medications within the robot. If your pharmacy is serving multi-med dispensing or wanting to, the BP series of compliance packaging is the best solution for your pharmacy.
