Company Background

TCGRx is a leading supplier of pharmacy automation and pharmacy design services. Our solutions range from individual components to address specific issues, to complete pharmacy design. TCGRx has an experienced staff and we pride ourselves on delivering high-quality, reliable products that can be used, improved, and scaled for decades to come.

Product Overview

■ ATP® 2

The ATP® 2 Automated Tablet Packager is the most versatile, industry-leading oral solid packager on the market. Engineered to provide improved performance, reliability, and flexibility, the ATP 2 is available in a wide variety of sizes and is expandable for future growth or business needs from 64 to 480 medication canisters. When combined with AutoSense™ smart canister technology and ½ tab canister dispensing, the ATP 2 has a limitless formulary capacity. Equipped with a dual tray system, you can now continuously run your ATP 2 without interruptions, making adherence packaging practical for any pharmacy. The ATP 2 facilitates both unit dose and multi-med packaging with multiple sizes. It can include color indicators to signify proper pass time, and various images and logos to give you maximum flexibility.

The ATP 2 integrates with the comprehensive suite of pharmacy solutions offered by TCGRx, including a fully automated image verification system (InspectRx), an automated collation system (Collect™), an automatic tablet splitter (BullsEye®), high-density storage with HDStock™, and Beacon® Inventory Management.

Additional Products

■ InspectRx®

InspectRx gives pharmacies the confidence of knowing that their AdherePac™ pouches are accurate while increasing the throughput of the checking process. Pills are verified by identifying 12 physical characteristics and highlighting potential issues for pharmacists. Pharmacies can track erroneous pouches and missing meds back to the source with an archived database of the front and back image of each AdherePac scanned.

■ Retail Marketing Kit

TCGRx has taken the guesswork out of marketing your business. We have put many retail marketing pieces at your fingertips, and removed the hassle of working with designers and printers to get it all to your store, ready-to-use. Choose one campaign, or choose four. Select add-ons to further enhance your presence in your region. Make your new adherence program a success with TCGRx Retail Marketing!
