Company Background

R.J. Hedges & Associates has a dedicated team, devoted to providing complete turnkey healthcare compliance programs for independent pharmacies. We offer easy-to-use Policy and Procedure Manuals and Programs that contain all requirements for Medicare Quality Standards; HIPAA Compliance with HITECH requirements; Fraud, Waste & Abuse Prevention; OSHA Bloodborne Pathogen requirements; Human Resource Management, and Immunization. All compliance programs come with computer based training as well as program updates (as regulations change).

R.J. Hedges & Associates has hundreds of accredited pharmacies across the United States. Company President & CEO, R. Jeffrey Hedges, has extensive experience handling Medicare accreditation, HIPAA compliance and Medicare audits.

Mr. Hedges regularly speaks at conferences and trade shows relating to healthcare compliance issues that are affecting the independent pharmacy arena.

Product Overview

Our Pharmacy Compounding Program is a one-stop program for pharmacies preparing for PCAB accreditation or for the proposed FDA compounding regulations. R.J. Hedges & Associates will prepare all your policies and procedures, forms and plans to meet the Pharmacy Compounding Accreditation Board's (PCAB) requirements. Some of the items included in our program are: regulatory compliance, Human Resource Management, facility and equipment requirements; chemical & component preparations; OSHA, compounding record keeping, Beyond-Use-Dating, prescriber communication and patient education, TQM and workforce safety. Computer based training for OSHA is also included.

Features & Options

Features pharmacy specific customized policies & procedures, plans, forms, and Computer Based Training.

Product Specifications

Acrobat Adobe Reader, MS Word 2007 or higher & Internet connection.

Testimonials

"R.J. Hedges & Associates approach is very professional but also very personable and makes the whole accreditation, HIPAA and federal compliance process a reachable and understandable goal."

— Barbara L.

"R.J. Hedges & Associates provides what you need to get Accreditation, but also keeps you up to date on any changes which is just as, or maybe, more important."

— George M.

"R.J. Hedges & Associates services, while not inexpensive, are worth every penny. They've made the accreditation process bearable. They elevated our documentation, policies-procedures from 20th Century mish-mash to a coherent state of the art!"

— Don S.
