## Company Background

Invacare Supply Group is the leading distributor of home medical and infusion products which promote recovery and active lifestyles for people with disabilities and those who require non-acute medical care. Since our inception, ISG has prided itself on delivering the highest quality, best value and solutions to our Partners.

Trust, integrity, innovation, value and expertise among others, comprise the foundation of our company. ISG is much more than just product and warehouses: it is best represented by the hundreds of Invacare Supply Group Associates who are guided by these principles every day.

As our many satisfied partners have come to know, ISG offers not only products and services on which you can depend, but also a convenient, cost effective partnership that will help your business continue to succeed.

Invacare Supply Group's mission is to develop unrivaled, lasting and deep relationships with our customers by delivering quality products and related services to the home care market with efficiency, consistency and innovation.

We offer an unbeatable combination of people and programs to help you attract new customers and to provide excellent service to existing ones. We're proud of our catalog and even more importantly, of the way we conduct ourselves in everything we do!
