## Company Background

Integra® is an innovative industry leader, offering the most comprehensive, intuitive, and scalable software solutions to help our customers efficiently manage their pharmacy and effectively serve their patients. Integra provides a suite of pharmacy management software solutions to meet and advance the operational and financial goals of our customers. Our solutions are purposely built and mindfully designed with our customers' needs in mind. As a true partner, we invest in technology and take a collaborative approach to provide a combination of integrated solutions and top-notch customer service. Integra is part of RedSail Technologies, LLC.

## Product Overview

The Integra Suite is an industry-tested set of long-term care pharmacy management solutions. Our suite is designed to give you a comprehensive, flexible, compliant, efficient, and intelligent toolbox to meet your specific needs. Match our innovative, interface-friendly suite with our top-notch customer service and you get everything you need to realize your full potential!

## The Integra Suite

■ **PrimeCare®:** The most flexible pharmacy management system on the market today — an integrated, scalable software solution that answers all the needs of institutional, long-term care, and combo-shop pharmacies.

■ **DocuTrack®:** An end-to-end, customizable workflow solution that organizes and stores all the documents and media that keep your pharmacy running.

■ **DeliveryTrack®:** Manages all aspects of your pharmacy delivery process — from item validation and route optimization to signature capture, providing audit compliance and peace of mind.

■ **Logix®:** Designed to work with DocuTrack to reduce manual tasks in your pharmacy. Automation of existing manual processes within your workflow saves time and money.

■ **Mevesi®:** Unify your data with business analytics and get unlimited insight into your pharmacy's performance. With every click, your pharmacy is creating data. It's time to know what you've got.

■ **Integra Cloud Fax®:** A powerful, easy-to-use, HIPAA-compliant solution with enterprise-level flexibility and no hidden fees. Improve reliability and modernize your pharmacy's fax solution by moving to the cloud and enable secure email and text.

## Why Our Customers Love Us

*"We operate a large LTC pharmacy, servicing assisted living, skilled nursing, behavioral health, and residential care settings. We use the entire suite of Integra products (PrimeCare, DocuTrack, DeliveryTrack, Direct Print, eRx module, Cloud Fax, Secure Messaging, and Logix). This allows us to optimally streamline our operations, easily retrieve information, minimize errors, and create economies of scale. We have worked with Integra for over 10 years and have never been disappointed with their responsiveness, flexibility, and customer service."*

— John Saliba, RPh, President, Saliba's Extended Care Pharmacy,  
A Guardian Pharmacy

*"Using Integra's Suite ensures a seamless flow of pharmacy content and delivery logistics through PrimeCare, DocuTrack, and DeliveryTrack, and provides valuable business analytics with Mevesi. Integra products give us reliable, comprehensive visibility across our entire company."*

— Mark McKee, RPh, Director of Pharmacy, Korman Healthcare

*"Integra has become synonymous with proactive service. That is what Integra has brought to our industry."*

— Rusty Lee, Senior Vice President, Ancillary Services,  
Community Health Services of Georgia
