Company Background

ISO-MED, Inc., a medical supply distributor, was formed to supply quality products for pharmacy cleanrooms and other medical industries in the United States. You will find ISO-MED as your one-stop-shop for all your USP <797> and USP <800> needs.

Product Overview

ISO-MED's brand of products are manufactured at the highest quality levels and meet or exceed USP <797> and USP <800> standards for labs, compounding pharmacies, homecare, and more. ISO-MED provides an unparalleled level of service and convenience, and as a result, we offer a unique opportunity to provide top-quality products, responsive customer service, and highly cost effective purchasing options for all our valued customers!

ISO-MED, an industry leader for all your USP <800> needs, provides an unparalleled level of service and convenience for all medical industries. Whether it's for the pharmacy cleanroom environment, laboratory, or homecare, ISO-MED is known for developing and distributing products that meet or exceed all USP <800> compliance. We offer a unique opportunity to provide top-quality products and are driven to help healthcare organizations save money.
