Company Background

Safe Chain was founded by brothers, Charlie and Pat Boyd, in 2011. What started as a boutique logistics business and wholesale distribution to hospitals, has now transformed into a full-service pharmaceutical wholesaler. The company has grown from just two employees to over 50 with five locations. Our values are a vital link supporting the care we have for our customers and their patients.

Company Values

- **Honesty:** Being truthful to each other and our clients.
- **Humility:** Maintaining high character throughout all situations.
- **Gratitude:** Being grateful for our clients and everything we have and do each day.
- **Professionalism:** Dedicating ourselves to a higher standard than what is expected.
- **Responsibility:** Being accountable and taking ownership in our job roles.
- **Positive Attitudes:** Maintaining a polite, pleasant, positive demeanor under the toughest of circumstances.
- **Grit:** Will to succeed and persevere no matter what challenges are thrown our way.
- **Teamwork:** Commitment to each other to accomplish our common goals or visions.
- **Moral Courage:** Doing the right thing even when it might be unpopular.
- **Enjoyment:** Have fun. Life's too short not to.
