Company Background

Since 2011, ISO-MED, Inc., a medical supply distributor, has been supplying quality products for pharmacy cleanrooms and other medical industries in the United States. Providing high-grade supplies for cleanrooms, hospitals, laboratories, homecare, and more, we are dedicated to achieving and maintaining compliant sterile compounding environments.

Product Overview

ISO-MED maintains the largest and broadest portfolio on-the-shelf warehouse of supplies.

We offer customized supply plans, a seamless e-commerce customer experience, easy ordering with matching manufacturer, and dependable purchasing/supplier aggregation services.

With one-on-one scheduled training services, we increase the efficiency of your purchasing processes, consolidate your portfolio, and link your on-site supply demand to your inventory management processes.

Offering value-added services, we provide consistent customer service and on-time delivery with a streamlined transaction process. We are driven to help healthcare-oriented organizations save money.
