Company Background

Feeling overwhelmed by changing rules and regulations? Are audits, attestations and credentialing driving you crazy? Not sure how to keep up? R.J. Hedges & Associates can help you bring peace and relaxation back into your life. We have helped hundreds of independent pharmacies stay compliant, pass audits and inspections, and easily earn Medicare accreditation. Our company was founded on our strong beliefs and moral standards to make federal compliance obtainable, reasonable, and achievable. Because of our high standards of customer service and compliance, R.J. Hedges has earned the Better Business Bureau's highest rating of an A+! We consider our employees and clients to be members of the family. Our clients are treated the same way we treat our employees with respect, dignity, and honesty.

If you are struggling in today's healthcare market, we can help with the following compliance programs: Pharmacy, Compounding, HIPAA, Diabetic Shoes, DMEPOS/Medicare, FWA Prevention and Immunizations. We would love to discuss your compliance needs and add your pharmacy to our R.J. Hedges community.

Product Overview

Feel at ease knowing your independent pharmacy is prepared to meet insurance credentialing requirements! Our pharmacy compliance program features:

- Over 70 Policies and Procedures
- More than 70 Customized Support Documents
- Quality Assurance Program
- Patient Safety Act Requirements
- Medication Adherence Program
- Fraud, Waste, and Abuse Prevention
- And much more!

All of our programs are 100% customized with one-on-one support. Each client has a dedicated project manager who will keep your program

updated, answer your questions, and guide you every step of the way to make your life stress free when it comes to compliance. You will have 24/7 access to our Compliance Portal[®] where you will be able to access:

- Easy-to-Follow Procedures
- Web-Based Training
- Monthly Task List
- Special Bulletins
- Webinars
- Checklist for Audits, Inspections, and Surveys

Features & Options

Keeping up-to-date with compliance to meet insurance, state, and federal requirements can feel like a second job. R.J. Hedges & Associates can help you whether you have a large or small pharmacy. Because every pharmacy is unique, we customize each pharmacy's policies and procedures, plans, forms, and support documents. We also offer our clients' web-based training, license verification, patient safety, OIG/GSA/SAM verification, and checklists for audits, inspections, and surveys.

Ordering Information

Our Compliance Strategists are available to help you discover what your business is missing in order to be in full compliance. Our team will help you shine light on any compliance gaps your pharmacy may have as well as share what programs you may already have access to. After speaking to our team you'll feel knowledgeable and confident to take the next steps for your pharmacy to be 100% compliant. To learn how R.J. Hedges can help you stay stress-free and in compliance, please call us at (724) 357-8380 or email us at sales@rjhedges.com.
