Company Background

Since 1978, Health Care Logistics has been a health care industry leader who specializes in manufacturing, packaging and distributing unique and hard-to-find products. In addition to the 10,000+ products available in HCL's inventory, the company provides free search and development services for non-inventory items. HCL offers small product quantities and has no minimum order requirements. Visit HCL online at GoHCL.com or call (800) 848-1633 to speak live with HCL's friendly, knowledgeable customer service staff from 8 a.m. to 8 p.m. Eastern Time Monday through Friday.

Features & Options

- Medication warming cabinet is specifically designed to warm medications such as Mannitol.
- Provides a means for pharmacists to store medications in a temperature maintained environment and prevents drugs from crystallizing.
- The heat generated from a 40-watt bulb (not included) will maintain the temperature range of 95°F to 122°F (35C° to 50C°).
- Monitoring the temperature of the cabinet is recommended, as temperatures will vary.
- Convenient window allows you to view the contents without opening the door.
- Cabinet is made of melamine fused to particleboard.
- Powered by 110V.
- All components are UL approved.
- An 8' power cord and protective light bulb cage included.
- Outside Dimensions: 18"W x 12"H x 12-3/4"D (457mm x 305mm x 324mm)

- Inside Dimensions: 16-1/2"W x 10-1/2"H x 11-3/16"D (457mm x 305mm x 324mm)
- Available in *Beige, Cherry, Gray, Maple, Oak* and *White*. Specify color when ordering.

Additional Product Modules

HCL stocks more than 7,000 "unique and hard to find" items, such as boxes, bins, security seals, compounding and dispensing products, custom labels, security seals, and magnets, custom cabinets and storage, custom design foam, and unit dose packaging supplies. The company does not handle drugs or medications.

Additional Product Lines
