Testimonials

In 2010, Dana Soper, CEO of CarePoint Partners, was able to save \$5,114,000 through Innovatix.

"By teaming up with Innovatix, we take the savings we achieve and put them back into different areas of the operation."

— Dana Soper

Key Business Partners

Innovatix is 50% owned by Premier, one of the nation's largest acute care group purchasing organizations. Our relationship with Premier allows our members to access some of the same discount pricing that was typically available only to the nation's largest acute care institutions. In addition, we have negotiated exceptional pricing and advantageous purchasing terms directly with vendors and manufacturers in order to cater specifically to the markets we serve.
