2  **Walmart**
WALMART: Staff Pharmacists & Pharmacy Managers Needed Nationwide & Throughout Colorado **Booth #298**

Your spark makes us Walmart.
At Walmart, we believe that quality healthcare is the foundation to a better life. To do this we provide our Pharmacists the tools and resources needed to deliver quality healthcare every day. In 1978, we opened our doors and began on an incredible journey into pharmacy operations. We knew we were going to offer the best possible service and products to our patients. That dedication soon grew into something much more.

Pharmacist Career Opportunities
Now, picture a pharmacy where you can have a flexible schedule. A place that offers multiple career paths and endless opportunities for professional growth. A practice that fills you with the pride of knowing that every day, you truly make a difference in the lives of your patients. Yet a place where you still have the time and tools to deliver the personal care each of your patients deserves. At the end of the day, we're simply a team dedicated to helping others save money, so that they can live better, healthier lives.

With over 4,000 locations and growing, our Walmart Pharmacies will provide you with some of the biggest opportunities on the market. For over 27 years, we've maintained our spot at the forefront of the industry's technological advancements. Between our locations, offers of training and the chance for advancement, we provide opportunity for Pharmacists like no one else.

At the end of the day, we're simply a team dedicated to helping others save money, so that they can live better, healthier lives.
