

# REFRIGERATOR MONITORING KEEPING YOU AWAKE AT NIGHT?

We struggle keeping  
daily temperature  
logs because we  
are so busy.

There must be an easier way?

**Fridge-tag®**

**The power went out overnight.**

**How do I know if my vaccine inventory is okay?**

**We noticed that the refrigerator door  
was left open.**

**How can we tell if everything is okay?**
