

The Health Assistant You've Always Wanted to Have In Your Pharmacy

iHealthKiosk™

BY LIVING NATURALLY

With the **iHealthKiosk**, you can educate your customers and drive product sales for your business. The **iHealthKiosk** is the most knowledgeable and lowest cost Health Assistant you will ever hire.

Thousands of pages of high quality referenced wellness content including comprehensive monographs for drugs and health conditions to educate your customers and drive sales to your pharmacy. The healthy recipes section and daily news articles sets your pharmacy apart from your competition. Feature the incredible array of health content or your own website content on the kiosk with the amazing **RxWebGenius** program.

Call us or visit www.iHealthKiosk.com for more information.
