

# Freedom – Highest Quality Assured

To learn more about Freedom's commitment to quality, our testing processes and how we provide you with peace of mind, visit [freedomrxinc.com/quality](http://freedomrxinc.com/quality).

At Freedom, we are committed to providing only the highest quality Active Pharmaceutical Ingredients (APIs), excipients and pre-made bases. We know that quality and consistency gives our customers peace of mind, confidence, and a competitive advantage in their practice. To ensure the integrity of our chemicals, **every lot and batch** is rigorously screened to meet and exceed the most current requirements and specifications.

## Knowledge. Support. Supply.
