

# TOMORROW'S PHARMACY. TODAY

SAVES TIME

REDUCES WASTE

IMPROVES CARE

## APS, Advanced Pharmacy Solutions, Is The Only Unified Multi-Dose Dispensing System Dedicated To Long-Term Care.

- APS provides remote on-site automated dispensing of 250 oral solid medications in multi-dose packages from the APS 250.
- The APS Mini is modular and can be placed in your facility to maximize workflow for PRN medications.
- Our APS Vault provides bulk and refrigerated storage for 100+ medications.
- The APS Mobile offers a custom medication cart made for our APS medication totes.
- The APS family of products paired with our integrated software makes the APS Ecosystem\* the most unique and advanced pharmacy technology solution on the market today.

REDUCE DRUG WASTE
