

Pharma-Choice™ Brand

by: Acute Care Pharmaceuticals

USP <797> USP <800> CLEANING SOLUTIONS

Alcohol

Pharma-Hol™ is a 70% IPA/30% USP WFI disinfectant/cleaner, is validated sterile and available in 16 & 32 oz. bottles and in gallon containers. It is the only disinfectant mentioned in the USP <797> regulation.

Pharma-Hol™ removes many surface contaminants and can be used to disinfect gloved hands, vials, counter tops, glove boxes and more.

Steriplex SD

STERIPLEX SD Kills over 99.999% of bacteria as well as the two most urgent microbial threats in hospitals today: Clostridium difficile (C. diff) and Carbapenem Resistant Enterobacteriaceae (CRE's).

It is an EPA-registered C. difficile sporicide, virucide, tuberculocide, bactericide and fungicide that is practical for daily use.

STERIPLEX SD kills more than 99.999% of bacteria in 30 seconds.

Dry and Pre-Saturated Wipers

Pharma-Plus™ low endotoxin wipers are USP <797> compatible and are available in dry and pre-saturated, sterile and non-sterile versions. All Pharma-Plus™ wipers meet USP <797> regulations and USP <161> endotoxin limits for medical devices of 0.06 EU/ml.

Pharma-Wipe Plus™ dry, non-sterile and sterile wipers are made from a polyester/cellulose blend and are currently available in 4" x4", 9"x9" and 12"x12" sizes.

The Pharma-Sat Plus™ pre-saturated wipers are also made from a polyester/cellulose blend and are available in sterile and non-sterile versions in 9" x 9" and 9" x 11" sizes.

USP <800>

Pharma-Chemo Mats™, Pharma-Surface Guard™, and Pharma-Gloves™ are USP <800> compliant cleanroom products. Pharma-Chemo Mats™ are designed for use in your cleanroom, barrier isolator, or glove box during HD compounding.

Pharma-Surface Guard™ two-step process is designed to clean spills without causing oxidation on stainless steel surfaces. It also cleans and inactivates most chemotherapy drugs and other HDs on work surfaces. Sterile ASTM* tested gloves are required per USP <797> and <800> when working in critical cleanroom areas. Pharma-Gloves™ are 5 mil thick, sterile, 100% nitrile (Latex free) in a 12" cuff.
