

Elevating the standards in 503B pharmaceutical outsourcing.

With increasing drug shortages and supply chain disruptions, access to quality medicine is more important than ever.

Leiters Health is an FDA-registered 503B outsourcing provider of high-quality compounded sterile preparations and pharmacy services including:

Pre-filled syringes and IV bags; pre-labeled and ready to administer.

Opioid-free surgical pain services medications.

ON-Q* Pain Relief System Pharmacy Fill Service.

Ophthalmic medications including FDA-compliant repackaged Avastin®

Contact us to learn how we can support your hospital pharmacy and your patients.
