

**Managing Returns. Building Trust.**

## Depend on Us

**Honest, accurate, and professional  
pharmaceutical returns management for your pharmacy.**

Since its start in 2000, PharmaLink has grown to be the nation's leading pharmaceutical returns management provider with the highest processing accuracy in the industry.

In that time, we've developed long-term client relationships based on trust, and them knowing we are going to be there today and long into the future. You can depend on us throughout our relationship to continuously provide you with returns management that's based on our company values of honesty and integrity. Our commitment to you means:

- Prompt and professional returns servicing
- Ensuring your return processing meets regulatory compliance requirements
- Access to clear, accurate and simple returns reporting through our web-based portal Encore®
- Receiving maximum credit recovery for your return
