

Better patient medication management starts with better coordination between a patient's pharmacy and prescribing professionals.

Introducing Patient-Centered Pharmacy Home™ accreditation.

Patient-Centered Pharmacy Home™ (PCPH™) is the latest addition to The Compliance Team's industry leading Exemplary Provider® suite of accreditation programs for Pharmacy Services.

PCPH is designed specifically to promote better patient medication management through concise measures that cover access issues, provider coordination, and care planning between a patient's pharmacy and prescribing professionals.

In addition to being Medicare-approved for DMEPOS, The Compliance Team's Exemplary Provider® accreditation for Pharmacy Services also includes tracks

for Infusion, Compounding, Specialty Drugs, In-Store Clinic, and Long-Term Care.

Meeting the highest standards of patient care has never been this simple. For more details, call us at
