LIQUID UNIT DOSE CUPS

From American Health Packaging

You know AHP from our industry-leading line of unit dose oral solids. Our line stands at over 500 items across all major therapeutic groups. Customers have also asked us to deliver barcoded liquid UD that offers the same safety and efficiency benefits.

AHP is pleased to announce our newest addition - Potassium Chloride Oral Solution!

Product Line Features

- Pull-tab label for ease of opening and administering product
- Thicker gauge cup with excellent seal integrity to avoid costly damage and clean up
- Differentiated labels using "tall man" lettering provide visual guidance to distinguish between look-alike, sound-alike drugs where applicable
- Cup and storage trays designed for limited pharmacy storage space
