Diabetes self-care goes beyond healthy eating and activities

Improving your patients' diabetes self-care includes having enough needles to use a new one with each injection

Remember to ask your patients to check their needle supply each time they refill their insulin.

Talk to your patients about trying **BD Nano™ 2nd Gen Pen Needles**

Easier injections from start to finish.^{1*}

Experience the difference of a contoured needle base¹

*226 patients with diabetes on insulin treatment were studied with a 150 mm visual analog scale (mean scores of >0 mm; clinically significant difference of ≥5 mm). BD Nano™ 2nd Gen demonstrated superiority vs. all comparator groups combined for overall ease of use. [(P <0.05)(Mean 19.9 mm, 95% CI, +13.8 to +25.9 mm)].
