

Improve Your Hospital Pharmacy Business With the Right Reverse Distribution Partner

What Can Pharma Logistics Do For Your Hospital?

At Pharma Logistics we honor the challenges of today's pharmaceutical market and provide our customers with a full-service reverse distribution experience that is focused on ease of use, regulatory compliance and financial accountability. When you partner with Pharma Logistics, you get access to:

	<p>Precision Reporting</p>	<p>Build business intelligence. With access to customizable and dynamic enterprise-wide reporting, our online Customer Portal drives process improvements through efficient and effective data reporting tools to help you build business intelligence and make better decisions.</p>
	<p>Dedicated Support Team</p>	<p>Support at every step. Your Customer Advocate's focus is to support you through the implementation of services by offering a unique combination of quality service, partnered with industry leading software to help you reduce the volume of returned goods while making you more cost-efficient and profitable.</p>
	<p>Credit Assurance</p>	<p>Guaranteed credits. Our Service Fee Guarantee ensures our customers receive the service and credit rate expected.</p>
	<p>Expedited Cashflow</p>	<p>Receive credit in 14 days. Our Rapid Credit Program offers customers a cost-effective solution AND delivers credits within 14 days from when the product is received in our warehouse compared to the industry standard of 12+months.</p>

Pharma Logistics brings efficiency and 24/7 visibility to the returns process so you can focus on patient care and the community. Call **888-729-7427** or visit www.pharmalogistics.com.
