

Liquid Unit Dose

from American Health Packaging

American Health Packaging provides new unit dose products to support pharmacy efficiency and patient safety initiatives. Liquid Unit Dose cups, available through partner GPOs and wholesalers, facilitate dose-level scanning at bedside. Products come in multiple pack sizes to provide flexibility in managing local inventory.

- Pull-tab labels promote ease of opening and product administration
- Thick gauge cups, excellent seal integrity aid in avoiding costly damage and clean up
- Differentiated labels provide visual guidance for distinguishing between look-alike, sound-alike products
- Cups and storage trays are designed to optimize limited shelf storage space
