

Freedom Pharmaceuticals

Our name speaks for itself. Freedom... Freedom to choose. Freedom to compound. Freedom you deserve. Freedom Pharmaceuticals provides you with the highest quality pharmaceutical products and services available and gives you the personalized customer service your pharmacy requires.

Freedom Pharmacy Support Services (FPSS)

FPSS offers comprehensive pharmacy compounding support, providing the knowledge, tools, and counsel needed to make compounding pharmacies prosper.

CPCSI - Insurance/Third-Party Support, Guidance & Consulting

Our consultants consist of Lawyers, Pharmacists and former PBM Auditors that work together to teach your pharmacy how to properly bill third parties for compounded prescriptions.

Knowledge. Support. Supply.
