Your Partner for Pharmacy Success

Call 800-338-3688 to learn how PRS Life Stage Pharmacy Solutions can benefit you and receive a **FREE Brochure**

PRS Pharmacy Services has been assisting pharmacy owners for over 30 years. As the nation's oldest and largest pharmacy consulting firm, PRS is committed to a single mission – to help independent pharmacy owners succeed in this tough and competitive environment.

PRS is the only pharmacy services company to offer “Life Stage Pharmacy Solutions” – the most comprehensive range of services for every stage of your pharmacy.

From the day you open until the day you retire - PRS has solutions for any issue you may face along the way. Owned and operated by pharmacists and pharmacy owners, our programs are practical, affordable and easy to implement.

Whatever your needs, you can trust that our professional staff will make your success their number one priority.

PRS – Your Partner for Pharmacy Success.
