

Introducing the latest pharmacy solution from

# RxMedic, the RM200

Automate your top 200 medications with the ease of auto calibrating cell technology. **RM200** gives you greater accuracy and efficiency, so you can give your patients greater safety and service.

**Peace of Mind** – utilizes RxMedic’s unique photo verification of vial contents.

**Utility** – automate your top 200 medications and fill up to 65% of your daily oral solids.

**Speed** – fills two prescriptions a minute.
