Maximize Savings — Maintain Compliance

A successful 340B program has two goals—maximizing savings and maintaining HRSA compliance. Over the past decade, Talyst customers have saved more than a billion dollars in drug purchases utilizing our software and services, all while remaining compliant with ever-changing HRSA regulations.

Talyst offers a variety of products to help maximize your 340B savings, from AutoSplit desktop software to our Fully Managed services; we have the right solution to meet your individual requirements. Whether you are a small community hospital or a large multi-site health system, with more than 500 covered entities as customers we understand your needs and have the perfect solution for you.
