

# THE CLEAR CHOICE FOR A SPORICIDAL PRODUCT

MINIMIZE THE SMELL • MINIMIZE RESPIRATORY CONCERN\* • KEEP THE SAME 3 MINUTE C. DIFF CONTACT TIME

## Make the Right Choice!

## DECON-SPORE 200<sup>®</sup> Plus

- Effective in 3 minutes against *C. diff* spores
- Features a "0" NFPA health rating on the RTU SDS
- No respiratory device needed provided there is adequate room ventilation\*
- Minimized odor significantly reduces the objectionable smell
- Respiratory concerns from the permissible exposure limitation are virtually non-existent due to low levels of hydrogen peroxide during application\*
