

WHY DIY?

DIY SOFTWARE FOR RETURNING EXPIRED & RECALLED PHARMACEUTICALS

- » Patented user-friendly software and workflow.
- » Subscription pricing – not a percentage of return.
- » Cut out the middle man.
- » Fastest & most accurate credit received.
- » Receive credit from manufacturers that will not work with 3rd party return vendors.
- » Never miss the credit worthy window.
- » Transparent – your product, your credit.
- » Eliminates diversion.
- » Remove unnecessary handling & transportation.
- » You control your inventory.
- » N3PR world class customer service.

Easy 4-Step Process in Less than 60 Minutes (One Full Wholesaler Tote)

1. Inventory Expired Product or Recall
2. Request Return Authorization*
3. Print Debit Memo & Prepare to Send
4. Send to Return Depot or Manufacture

(*Not All Manufacturers Require Return Authorizations)
