

# Dreaming of owning *your own pharmacy?*

***PRS will help you make your dream become a reality with the PRS Pharmacy Ownership Program***

PRS can help you turn your pharmacy ideas into a successful business with the PRS Pharmacy Ownership Program. With over three decades of experience and hundreds of on-site retail pharmacy openings, PRS has developed a program with all the best practices for pharmacy ownership. Whether a new pharmacy or an acquisition/transfer, our program addresses every step of opening, setting-up and operating a successful pharmacy.

Call a PRS Team Member today, to get your free Pharmacy Ownership brochure and see how PRS can help you own your very own pharmacy and make it a success!
