

We're your experts in **340B** program compliance

New name, New Technology, Same trusted 340B solutions!

Verity Solutions (Formerly Talyst 340B) provides 340B software and services to hundreds of integrated healthcare systems, acute-care hospitals, pharmacies, and other 340B-eligible covered entities throughout the United States.

Our Verity 340B™ Split Billing, Contract Pharmacy, Specialty Pharmacy, and Audit & Compliance offerings work together hand-in-hand to provide a holistic 340B solution set designed for program compliance, savings maximization, WAC spend reduction, and adherence to ever-changing regulations.
