

# Healthcare Compliance and Medicare Accreditation... ...a Tough Mountain to Climb

**R.J. Hedges & Associates** offers comprehensive healthcare consulting services for independent pharmacies and other healthcare providers in an ever-changing regulatory environment. Our experience handling complex regulations, and applying them in easy to follow formats, enables our clients to remain compliant with these government requirements.

**R.J. Hedges & Associates'** programs include computer based training and program updates required to remain compliant with ever-changing government regulations.

## AVAILABLE PROGRAMS:

**Operational Policy & Procedure Program (Compliance & Accreditation)** – Provides customized documentation and assistance in obtaining Medicare and/or Insurance Accreditation. Includes Pharmacy Operational, HIPAA Compliance, FWA Prevention and Pseudoephedrine programs. Also includes prepared personnel folders, material safety data sheets, signage, computer based training CDs and more.

**HIPAA Compliance Program** – Ensures your facility remains compliant with HIPAA Privacy and Security rules including HITECH and ARRA requirements, Policy and Procedure and computer based training CDs and manuals.

**Pseudoephedrine Policy and Procedure Program** – Ensures your facility remains compliant with DEA requirements (includes a Policy and Procedure Manual).

**Modified Operational Policy & Procedure Program** – Same as above, but without HIPAA and Pseudoephedrine programs.

**Fraud, Waste and Abuse (FWA) Prevention Program** – Meets both Medicare Part B and D requirements for fraud, waste, and abuse prevention.

**Therapeutic Shoe Policy and Procedure Program** – Provides Policy and Procedures for fitting and selling therapeutic shoes and meets all of the Quality Standards "Appendix C" requirements (Features Dr. Comfort).

**Pharmacy Immunization Compliance** - Includes policies and procedures required to remain compliant with IAC immunization guidelines.
