

we don't make compounds
we make compounds better

We realize you have many *good* options for your compounding needs, but we think *good* isn't good enough. Freedom Pharmaceuticals is dedicated to making compounding **BETTER!**

BETTER KNOWLEDGE. Compounding industry's only source for third-party billing support, guidance and consulting.

BETTER SUPPORT. Immediate assistance, comprehensive custom formula development, and unparalleled turnaround times.

BETTER SUPPLY. Custom re-packaging and multiple package size options.

BETTER SERVICE. Live, friendly, knowledgeable customer care specialists who are ready to serve.
