

THE GRASS IS GREENER
on the other side...

You deserve more out of your 340B software, not just empty promises

Verity understands that no two Covered Entities are alike. Our trained industry professionals work closely with your Covered Entity to tailor our 340B solutions to your specific needs.

- ✓ **Rapid Implementation** - Average from contract signing to go live 75 days
- ✓ **Real Customer References** - Talk to Covered Entities just like yours
- ✓ **Best-in-Class Support** - Over 90% of support cases resolved (not just responded to) in under 24-hours
- ✓ **Affordable Solutions** - Wide range of pricing solutions to support every budget
- ✓ **And SO much more!**

Verity offers a wide range of Split Billing and Contract Pharmacy solutions for all 340B entity types. Reach out to us today and experience the Verity difference.
