

GX Solutions Cold Storage

Safe for Use in Clean Room Environments

GX Solutions Pharmacy Refrigerators
Include NSF/ANSI 456 Certification and
ISO Class 5 Clean Room Compatibility

HELMER'S EXCLUSIVE **OPTICOOL™** **TECHNOLOGY** FEATURED ON GX SOLUTIONS MEDICAL-GRADE REFRIGERATORS AND FREEZERS

SUPPORTS TEMPERATURE UNIFORMITY

GX Solutions are the first cold-storage solutions to offer optimized control in three key temperature management areas: uniformity, stability, and recovery.

SUPPORTS ENERGY EFFICIENCY AND SUSTAINABILITY

ENERGY STAR® certified and up to 50-65% more energy efficient than conventional medical-grade cold storage with natural HC refrigerants that decrease heat output, carbon footprint, and global warming potential.

SUPPORTS CLEANROOM APPLICATIONS

GX Solutions have been tested and are safe for ISO 5 clean room applications.

SUPPORTS RELIABILITY

Designed and built to ensure long-lasting reliability, limiting downtime and interruption to workflow.
