

GX Solutions & OptiCool™ Technology

Optimized Cold Storage

Engineered to provide
10-year service life.

HELMER'S EXCLUSIVE **OPTICOOL™ TECHNOLOGY** IS OFFERED ON GX SOLUTIONS MEDICAL-GRADE REFRIGERATORS AND FREEZERS

SUPPORTS TEMPERATURE UNIFORMITY

GX Solutions are the first cold-storage solutions to offer optimized control in three key temperature management areas: uniformity, stability, and recovery.

SUPPORTS ENERGY EFFICIENCY

ENERGY STAR® certified and up to 50-65% more energy efficient than conventional medical-grade cold storage.

SUPPORTS SUSTAINABILITY

Natural HC refrigerants reduce heat output, decrease the carbon footprint, and decrease global warming potential.

SUPPORTS RELIABILITY

Designed and tested with Accelerated Life Testing (ALT) to provide a 10-year service life.
