

Discover cost savings today!

DOSIS L60 is helping Long Term Care pharmacies meet all their dispensing needs both daily and cyclefill prescriptions. Dispensing cards at a fraction of your current cost while reducing pre-pack requirements.

Talk with us about how a DOSIS L60 can:

- Lower your cost per card
- Meet delivery times
- Remove chaos
- Cut hours of operation

As your pharmacy changes, DOSIS will adapt with your operation. The L60 provides tangible savings for pharmacies with patients across a wide variety of operating styles. Starting with as little as 300 patients and greater!
