

Focusing only  
on medical-  
grade refrigerated  
products for 40  
years

## Improve patient care

So quiet you can hear a pin drop

Medical-grade performance countertop  
refrigerators now available!

Increase patient satisfaction with the quietest medical-grade  
countertop refrigerator on the market.

Specially designed for patient rooms, the MLR102  
features AdvanceCore™ technology providing you with:

- » Near-silent operation
- » Medical-grade performance
- » Energy-efficiency
- » Refrigeration for tight spaces
