

I am NOT a vial-filling robot!

Better than a vial-filling robot or side-by-side with the robot you've got, the magic happens either way.

1 technician
can fill up to
100 scripts
per hour

eyecon[®]
Distributor

Speedy. Secure. Space-saving.

Robotic inventory management, med storage and retrieval technology.

- delivers absolute inventory accuracy
- virtually eliminates waste, theft and diversion
- uses 30% less on-hand inventory
- requires 19% fewer FTE hours
- frees up 33% pharmacy floor space
- holds up to 1800 stock bottles per tower
