

Our DMEPOS & Pharmacy
Accreditation was

Combined & Simplified

By The Compliance Team.

John Richards, Pharm.D.
Professional Village Pharmacy
Sacramento, CA

For over 25 years, The Compliance Team's simplified approach has been saving providers time and money, while eliminating the "minutia." Combining DMEPOS Part B with Community Pharmacy delivers on our promise to every DMEPOS and Pharmacy provider:

Accreditation. Simplified.

Our full-time advisors are expert evaluators who are trained and equipped to guide you from start to onsite survey. It is a personal level of service and care that is unmatched in the industry and includes free policy and procedures templates, self-assessment checklists, live/recorded webinars, and a patient satisfaction benchmarking portal.

Our providers choose to be Exemplary.
Interested in a better accreditation
experience and elevating your
patient care – let's talk!
